

Comprehensive Literacy State Development (CLDS)

Competitive Literacy Grant

Grant Overview

The Comprehensive Literacy State Development program creates comprehensive literacy programs to advance literacy skills, including pre-literacy skills, reading, and writing, from pre-k through grade 12, with emphasis on disadvantaged children, English learners, and children with disabilities.

Alignment to Panorama Products

Panorama helps schools and districts deliver differentiated writing support, strengthen feedback cycles, support scaffolded practice, streamline literacy intervention workflows, and increase visibility into literacy progress.

Solara with Class Companion

- Helps teachers create differentiated assignments, provide rubric-aligned feedback, and personalize scaffolds for students who need more support.
- Supports stronger writing practice and revision by giving students immediate, actionable feedback

Student Success

- Can help districts identify below-benchmark students, organize literacy interventions, and monitor progress across schools and grade bands

Solara:

- Can help educators generate district-aligned literacy supports, student intervention resources, and family communication more efficiently
