

Title IV, Part A

Student Support and Academic Enrichment

Grant Overview

Title IV, Part A improves student academic achievement by increasing the capacity of states, LEAs, schools, and local communities to provide all students with access to a well-rounded education, improve school conditions for student learning, and improve the use of technology to strengthen academic achievement and digital literacy.

Alignment at a Glance

Panorama helps schools and districts strengthen school climate, student support, safety, and the effective use of technology through educator-led tools that improve engagement, communication, and student outcomes.

Surveys & Engagement

- Measures climate, safety, belonging, engagement, teacher-student relationships, and family-school relationships with research-backed surveys and reporting.
- Supports needs assessment, program monitoring, and school improvement planning.

Student Success

- Provides a full view of academics, attendance, behavior, helping districts identify needs and coordinate supports.
- Supports intervention tracking, chronic absenteeism work, behavior analytics, and system-level reporting.

Solara

- Supports the effective use of technology by giving educators a secure, educator led AI workspace for student supports, attendance planning, and family communication.
- Can help districts operationalize approved practices more consistently and efficiently.

Solara with Class Companion

- Can support student engagement and academic growth through differentiated assignments, timely feedback, and personalized scaffolds.

Panorama Pathways

- Useful for dropout prevention and planning through automated graduation tracking and counselor-friendly flags.
